

AMELIA

innovAtive Maturity assEssment modeLs for 5.0
dIgitAl trAnsformation Improvement

SMART

AMELIA - innovAtive Maturity assEssment modeLs for 5.0
dIgitAl trAnsformation Improvement - is a project funded
by the European Union under the Interreg IPA South
Adriatic Programme 2021-2027.

Duration

start date - end date

01/7/2025 - 31/12/2027

Main Goal

AMELIA addresses skills gaps and limited innovation capacity
in the South Adriatic area by strengthening cooperation,
supporting digital transition and improving skills to foster
sustainable and competitive growth.

Total budget

1.131.354,23

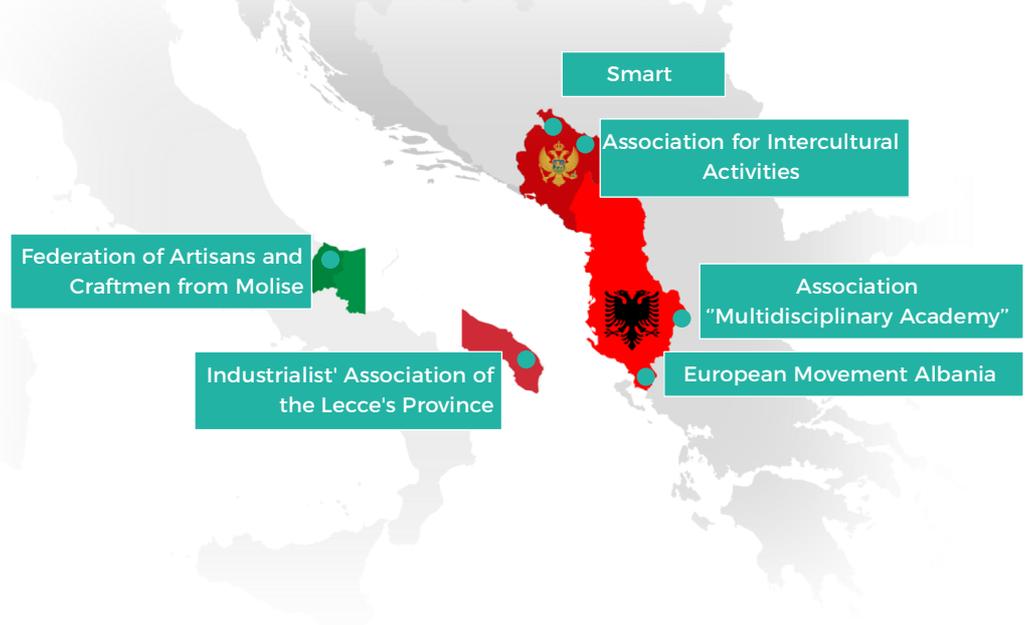

EU funding

1.131.354,23

Project Partners

- Lead partner Industrialist' Association of the Lecce's Province (Italy)
- Partner Federation of Artisans and Craftmen from Molise (Italy)
- Partner Association “Multidisciplinary Academy” (Albania)
- Partner European Movement Albania (Albania)
- Partner Smart Horizont (Montenegro)
- Partner NGO Association for Intercultural Activities (Montenegro)

Project main activities -Expected output/results

Partners cooperate to analyse needs, strengthen capacities, and carry out pilot actions to test digital solutions in real-life contexts, jointly developing and validating a Collaborative Platform for Sustainable Digital Transformation. The platform supports knowledge exchange, shared tools and practical solutions, strengthening cooperation and skills across the South Adriatic area.
